UnderWater World

UnderWater World – Always Something New to Sea!

While staying at Weyba Gardens Resort—your luxury accommodation in Mooloolaba, visit another world at UnderWater World, Queensland's largest Oceanarium and Aquarium. You'll be enchanted by seals, watch playful otters and experience life beneath the waves in the interactive touch pools. Be amazed by over 25,000 extraordinary sea creatures and with over 14 tours, talks and feeds daily, there is never a dull moment.

Take a look at the new Crawly Creature exhibit that will take guests on an interactive journey from land to the sea with the world's largest marine and migratory crab species in one of the largest themed exhibits of its kind.
